

04b - Hemera Tool Dock Assembly

Written By: Greg Holloway

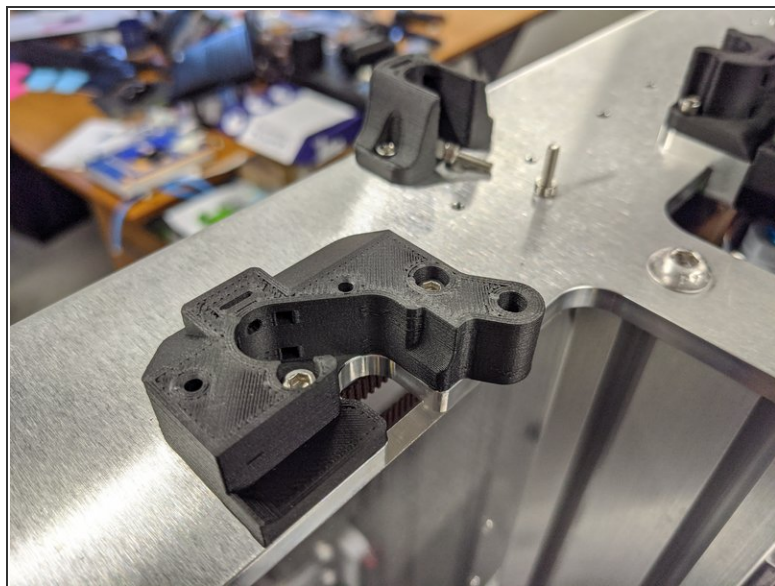

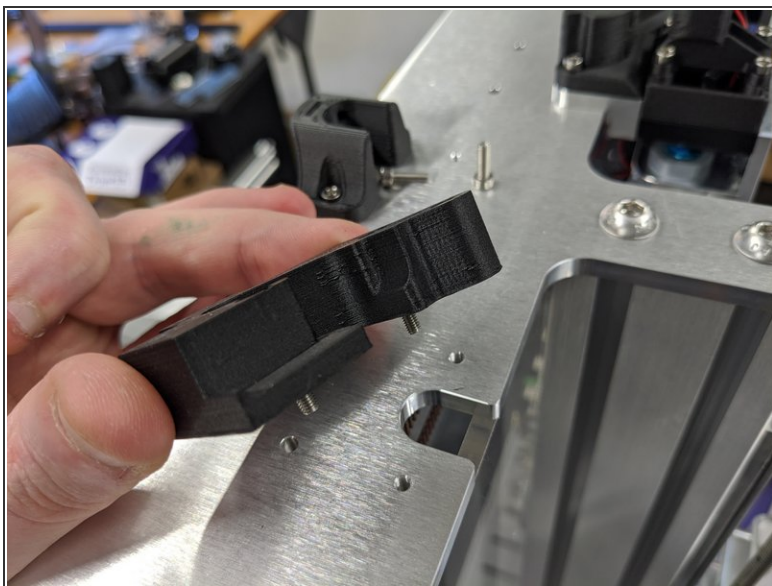

Step 1 — Parts.

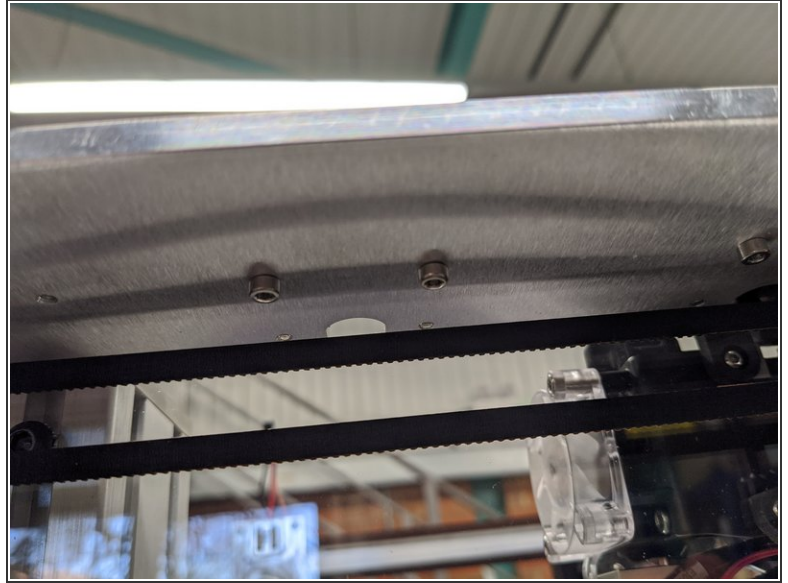

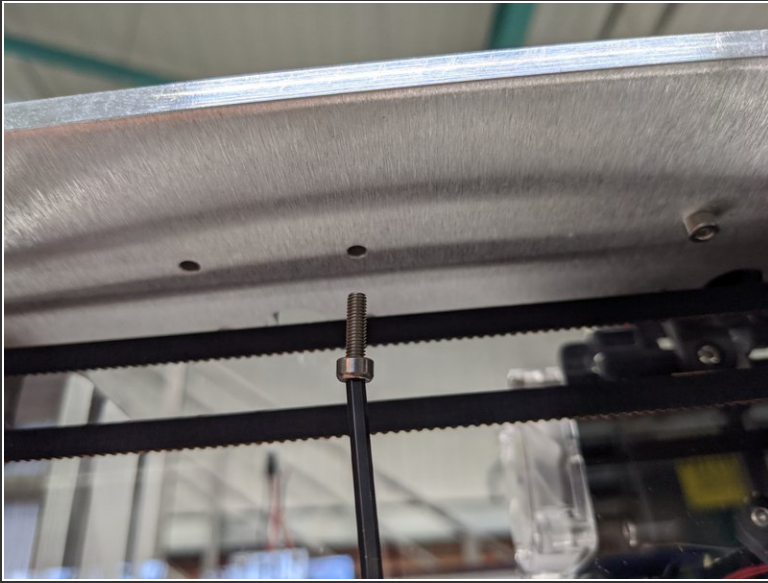

- Print the Dock parts linked below.
- <https://github.com/e3donline/ToolChanger>

Step 2 — Screw.

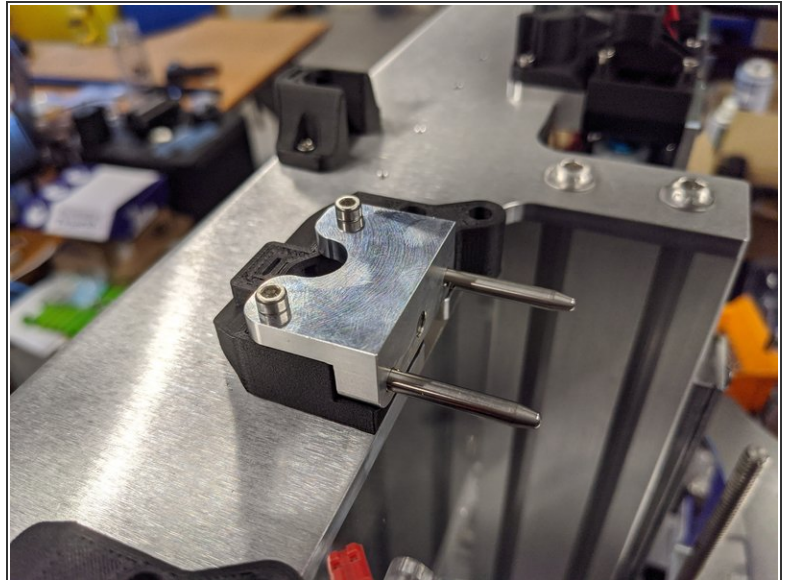

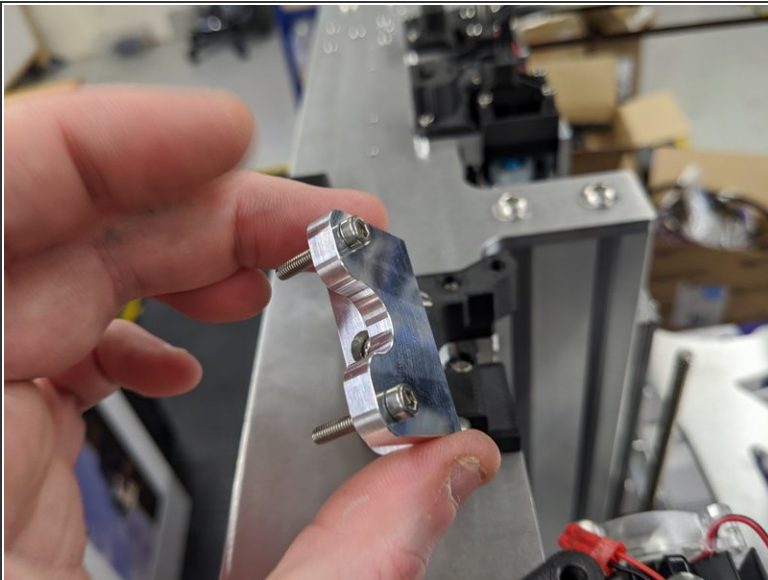

- Affix the printed bracket to the Motion System.

Step 3 — Underside.

- Secure the bracket from the underside.

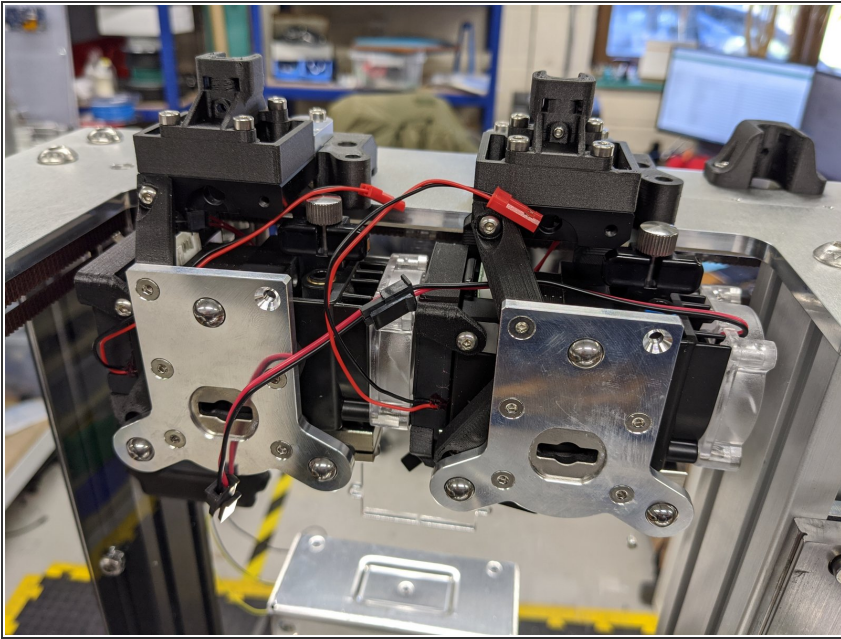

Step 4 — Dock.

- Affix the dock to the bracket.

 For instructions of to assembly the dock see | [04a - V6 Tool Dock Assembly.](#)

Step 5 — Hemera.

- Place the Hemera Tool onto the docks.
